

## SPONSOR A CHILD'S TUITION TO SUMMER CAMP FOR CHRISTMAS!

HUMANITIES FOUNDATION SUMMER CAMP PROGRAM

*With your help, we can provide the children of our affordable housing communities the summer adventure of a lifetime. From educational activities, sports, field trips, art projects, technology, nature walks, youth mentoring, and more, we have so much in store for these kids, but we need caring people like you to help us get them to camp so we can make their summer dreams a reality!*

### **ABOUT THE SUMMER CAMP PROGRAM**

Enhancing the lives of the youth residing in our communities has become an important initiative. It is our goal to link economically disadvantaged, at-risk children to positive role models and leaders. We want to encourage our youth to become a positive asset to the community in which they live. In providing the summer camp program, space is created where children, many of whom might not be able to attend such a camp otherwise, can learn skills and receive the support that can help them grow into healthy successful adults.

The program offers a wide variety of recreational and educational activities for the camper. Past activities include soccer lessons at the MUSC Health Stadium, home of the Charleston Battery, field trips to the USS Yorktown, the Charleston Aquarium and Splash Island Water Park, visits from the bookmobile, educational counseling, tie-dying t-shirts, and much more.

For further information on the camp please contact Lamar Mowatt, Director of Resident Services, at [lmowatt@humanitiesfoundation.org](mailto:lmowatt@humanitiesfoundation.org).
